Exercise 2 Output

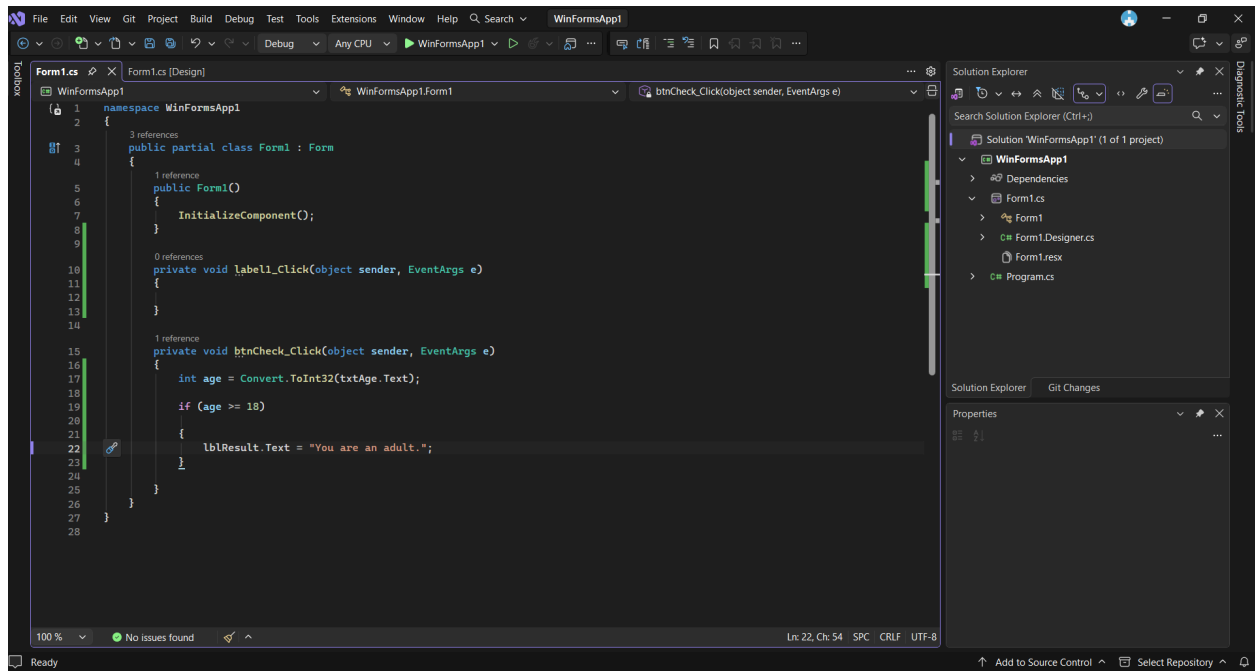

A screenshot of a Windows application window titled "Form1". The window has a light gray background and standard Windows window controls (minimize, maximize, close) in the top right corner. In the center of the window, there is a text label "Enter a Number" followed by a text input field containing the number "8". Below the input field is a button with the text "Check". At the bottom of the window, there is a text label that reads "This is a positive number."

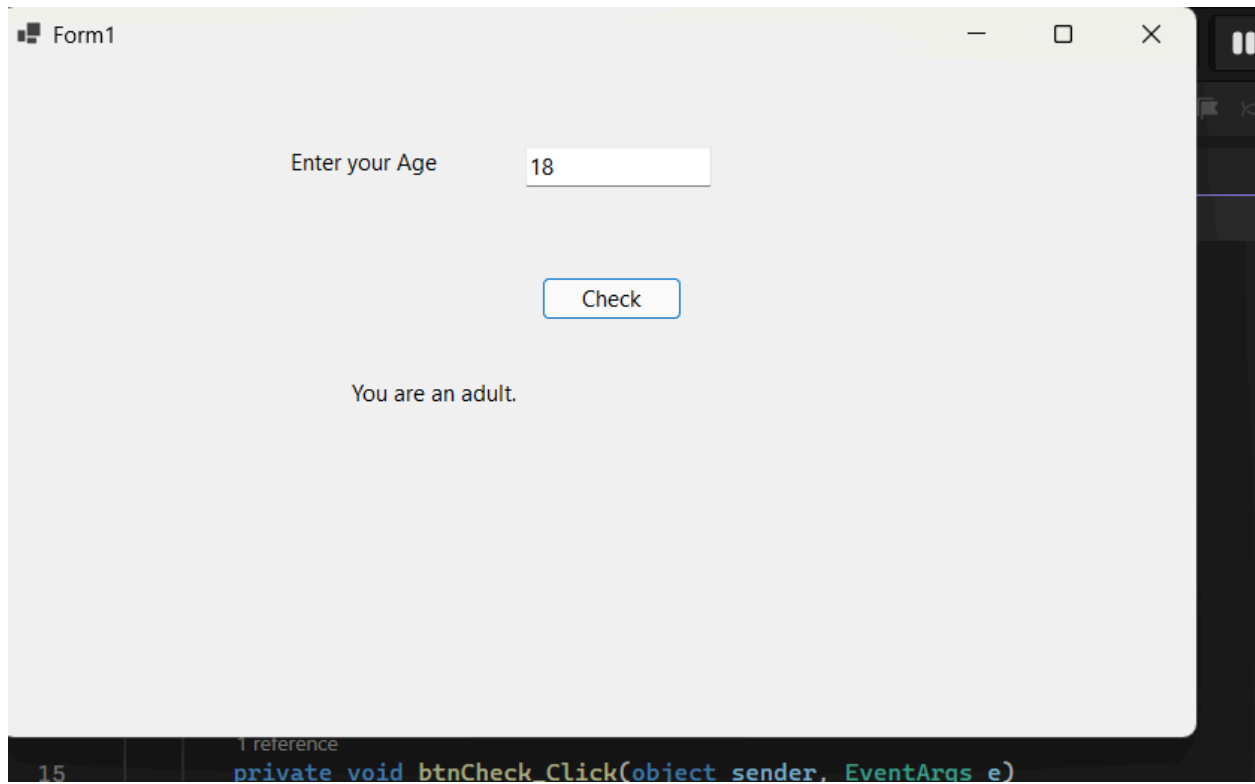

A screenshot of a Windows application window titled "Form1". The window has a light gray background and standard Windows window controls (minimize, maximize, close) in the top right corner. In the center of the window, there is a text label "Enter a Number" followed by a text input field containing the number "-9". Below the input field is a button with the text "Check". At the bottom of the window, there is a text label that reads "This is a negative number."
